

PRECIS OF KIRK SESSION BUSINESS ON 1 June 2016

- **Bell Tower** – Work on the tower is complete and work has begun on the canopy.
- **July Services** – Members providing transport and those requiring transport to the joint services are asked to meet at 10am in our car park.
- **Unitary Constitution** – Churches are now being urged to consider a move to a Unitary Constitution because it better meets the current charity regulations of OSCAR with regard to the responsibilities of Trustees.
Group work took place to draw up a comprehensive list of church activities and assign them to appropriate groupings. Work will continue on these by the small working party and a report will be brought back in the autumn.
- **Malawi Partnership** – Preparations are moving on for the visit of 7 people to Chuluchusema in July. It is hoped to take out gifts for the community there such as Fair Trade solar lanterns and footballs. Alan has video recorded some of his work with S2 classes at Glenrothes High School to take out to the secondary school there.
- **Parish Grouping Representatives** – Names of Elders willing to sit on the PG committee are required for September.
- The next meeting will take place on Wednesday, 7 September 2016.
