

## Introduction to worship at St Columba's

We welcome visitors to our services. Please don't worry about what to do when, what to wear or feel you have to be on your best behaviour. If you need to move around, or leave during the service, that's just fine. We also enjoy children being present and don't expect them to be silent and still all the time. We start the service together and, except for family services, children leave for the **crèche or Junior Church** after about 20 minutes. For information about these, please ask one of the welcome team.

### **We are delighted to welcome you!**

Please sign the visitor's book in the vestibule.

On the last Sunday of most months the service includes communion. This is open to others from different denominations.

In general, if you are able to stand comfortably, you are invited to stand for the Bible coming in at the start of the service and during hymns (except offering). We usually remain seated for prayers.

The **page numbers** for the readings refer to the Bibles in the pews. The Old Testament readings are at in the first section of the Bible, the New Testament readings are towards the back.

The version of the **Lord's Prayer** that we use is:

*Our Father, who art in Heaven, hallowed be thy name,  
Thy kingdom come, Thy will be done, on Earth as it is in Heaven.*

*Give us this day our daily bread,*

*And forgive us our debts, as we forgive our debtors,  
And lead us not into temptation, but deliver us from evil,*

*For thine is the kingdom, the power and the glory,  
Forever, Amen.*
